Dear Miss Lane

Thank you so much for the opportunity to visit the School last week. Kev and I enjoyed it immensely and we hope the children and staff did too. It was a pleasure to meet you all.

I would also like to thank all the children for their kind thank you letters, which we received both on-line and in hard copy.

The School Council's explanation of everything that went into raising your kind donation was fascinating and a tribute to all the hard work that went into the fund-raising. The £339.69 was truly great and we are most grateful.

Yours Ian
