

Tutshill Times

April 2022

Welcome to our first edition of the Tutshill Times. In this edition you will find out more about the School Council and what they have been up to so far this year and what they are planning for the rest of this academic year!

Our Eco-Council

Hello! We are the Eco- Council and this year we are aiming to achieve the Eco-Schools Green Flag award. We have carried out a survey of the school and created an action plan based on the data we have discovered. Our three main aims for this year will focus on energy, litter and waste. We have held an assembly for the whole school to share our ideas with them. If you wish to watch the PowerPoint that we created we have uploaded it to Seesaw. We are hoping to organise a second hand uniform clothes stall with the PTA's help after Easter. All proceeds will be shared between the PTA and our school charity 'Friends of the Earth'. More details will follow after the Easter break. We have also signed up for the **#GBSchoolClean**. We will be sending out more information about litter picking very soon!

Wet-play boxes

Many thanks for your donations for the wet-play boxes the school council are currently trying to organise an appealing selection of games and activities for all of the year groups. If you have any further donations please bring them in and give them to Mrs Cooper.

Our Fundraising Committee

Hello! We are the fundraising committee. We have already organised two events. Our first event was a non-school uniform day.

In our last event, the playground challenge, we raised £193.00

It was great fun to run and we hope the children enjoyed it. We have been hoping to do more activities in the future

We have organised an Easter Bonnet Parade for today! We are looking forward to seeing your Easter Bonnets with all of your Easter accessories!

We hope that you all have a wonderful Easter holiday!
